

We are excited to meet you and help with your oral health needs.

The first step to getting scheduled with Drs. Nygaard & Poovey is to complete our new patient forms. Please visit our website and click the “New Patient Forms” under the Patient Resources Menu. Follow the instructions and once the forms are submitted, we will call you to find a date and time that works for your schedule.

If you have any questions, please call us at (509) 927-3272.
